

VIHAVALT

INDUSTRIAL TRI-PROOF LED TUBELIGHTS

Built to Perform. Built to Last.

Reliable lighting for the world's most demanding environments.

WATER & DUST RESISTANT

TOUGH & DURABLE

ENERGY EFFICIENT

WHY INDUSTRIES NEED TRI-PROOF LIGHTING

- ✓ **Harsh Environments**
Resists moisture, dust, corrosion and impact.
- ✓ **Operational Continuity**
Reliable performance in tough conditions reduces downtime.
- ✓ **Worker Safety**
Bright, uniform lighting improves visibility and safety.
- ✓ **Energy Savings**
High efficiency LED technology lowers energy consumption and maintenance costs.
- ✓ **Long-Term Value**
Durable design ensures long life and better return on investment.
